

Huntsville AI

December 2019

Who/What/Why

Vision

Our vision is a group of individuals and organizations in the metro Huntsville area who collaboratively advance the knowledge and application of artificial intelligence in ways that make it available to everyone and improve our quality of life.

Mission

- Meetups & Socializing to connect and share knowledge
- Learning Events to educate and promote AI and its application
- Sponsored “AI Lab” sessions to make cloud computing accessible to everyone that wants to participate
- Competitions to apply AI to solve problems

From 2018:

- Facebook group with 53 members (almost all local)
- 12 Events at CWN and 1 at SpaceApps
- Learning at NASA
- Cyber Security
- Fast.ai Lessons 1-4
- Github page for HSV-AI

2018 Future Thoughts!

- ✓● Provide alternative connection opportunities - Meetup, LinkedIn, Mailing List
- Involve other CWN groups in crossover discussions - Marketing, DevOps, etc
- ✓● More hands-on tutorials
- ✓● More people involved with scheduling sessions & get togethers

From 2019:

- Facebook group with 105 members (almost all local)
- Meetup group with 81 members
- LinkedIn group with 52 members
- 46 Events at CoWorking Night
- 8 Presenters
- 2 Social Events
- Provided tutorials and sessions for HudsonAlpha Tech Challenge, AIAA Nextgen Conference, and the NASA SpaceApps Challenge

Advancing AI in the Huntsville area.

Thoughts for 2020

- Involve other local groups in cross-over discussion – DevOps For Defense, HSV.py, WomenWhoCodeHSV
- More hands-on tutorials – Set up a local cohort for Fast.ai
- More people involved with scheduling sessions & socials
- Expand the leadership of Huntsville AI
